1. \$10,000 Unsecured Bond
2. Report as directed to Pretrial Services

10. Possess no controlled substances unless prescribed by a licensed physician
11. Submit to drug testing and/or drug treatment as directed by Pretrial Services

Respectfully presenting petition for action of Court and for cause as follows:

On July 31, 2018, the defendant appeared before United States Magistrate Judge Anthony P. Patti for a Bond Violation Hearing due to continued positive marijuana drug tests while on bond. His bond and conditions were continued with the amended condition of third-party custodian to his mother.

On November 20, 2018, the defendant appeared before United States Magistrate Judge Anthony P. Patti for a Bond Violation due to him getting arrested on a Misdemeanor Domestic Violence charge by the Novi Police Department on November 18, 2018. The defendant's bond was revoked, and he was ordered detained. Mr. Griesemer was sentenced to one year of probation for Misdemeanor Domestic Violence on January 30, 2019 at the 52-1 District Court in Novi, Michigan. His probation was violated due to him testing positive for marijuana (same use as federal allegations), and his term of probation was extended six months along with the added condition of alcohol testing.

On December 19, 2018, the defendant appeared before United States Magistrate Judge Anthony P. Patti for a Bond Review Hearing. His bond was reinstated with the original special conditions of the bond, as well as the following modified conditions: report directly to inpatient residential treatment upon release from custody and remain at facility until a recommendation for discharge is made by staff. A Bond Status Hearing is to be held with the Court upon termination of treatment. Mr. Griesemer was transported to Harbor Oaks on December 20, 2018 and was discharged from that facility on January 2, 2019.

On January 2, 2019, the defendant appeared before United States Magistrate Judge Anthony P. Patti for a Bond Review Hearing. His bond and conditions were re-instated with the amended conditions that the defendant cannot leave unaccompanied unless for verifiable employment purposes only, and he is to have no visitors outside of immediate family to the bond address. The defendant's father was also added as a third-party custodian.

On April 5, 2019, the defendant appeared before United States Magistrate Judge Anthony P. Patti for a Bond Violation Hearing due to the defendant testing positive for marijuana. His bond and conditions were continued with the amended conditions of zero tolerance, abide by his district court probation conditions, and undergo home detention without location monitoring.

On April 16, 2019, the defendant appeared before United States Magistrate Judge David R. Grand for an arraignment on an Information. His bond and conditions were continued.

The defendant has a Pretrial Conference scheduled for May 23, 2019.

Mr. Griesemer tested positive for marijuana after his April 5, 2019 Violation Hearing. He was tested again on April 28, 2019 to determine if the previous positive marijuana tests did not result from residual use. The defendant's April 28, 2019 drug test results were negative.

Mr. Griesemer failed to report in person to Pretrial Services on May 7, 2019, which is a violation of his zero-tolerance condition. The defendant reported in person to Pretrial Services on May 10, 2019 and submitted to drug testing. He admitted to using marijuana prior to submitting to drug testing, and his results were ultimately positive for marijuana. The defendant was referred for outpatient substance abuse treatment with Shanle Psychological on May 10, 2019, and he attended his initial assessment on May 17, 2019. Pretrial Services has communicated with the defendant's clinician, and he will be required to attend two individual sessions monthly. His next appointment is scheduled for June 7, 2019.

The defendant's noncompliance on bond has been ongoing. He is continuing to use marijuana, and recently failed to report in person as required to Pretrial Services. In view of the above, Pretrial Services is requesting a Bond Review Hearing, so the defendant can answer to the allegations noted above. Contact has been made with Assistant United States Attorney Jihan Williams and Attorney Penny Beardslee, and they are aware of the allegations listed above.

PRAYING THAT THE COURT WILL ORDER BRANDON GRIESEMER TO APPEAR FOR A BOND REVIEW HEARING TO BE HELD ON MAY 23, 2019, AT 2:00 P.M., TO ANSWER TO THE ALLEGATIONS NOTED ABOVE.

ORDER OF COURT

Considered and ordered this 23rd day of May, 2019 and ordered filed and made a part of the records in the above case.
